

AG Machining & Industries, Inc.

Export Compliance Policy

Export compliance is vital to protect the national security and foreign policy interests of the United States. Under no circumstances will sales be made contrary to U.S. export regulations and laws. Compliance with export laws and regulations will not be compromised for commercial gain. AG Machining's intent is to comply fully with United States export/re-export laws and regulations. Through ongoing communications with the customer and suppliers the Company shall make all reasonable efforts to understand the application and use of the product and any applicable laws and regulations. All company employees are responsible for ensuring that under no circumstance will a transaction occur contrary to this policy. Failure to comply with these regulations may result in the imposition of criminal and/or civil fines and penalties, including jail time and monetary penalties, and employees will be subject to disciplinary action and/or termination.
